New Way Knocks Rheumatism

D-M-F Proves Startling Success.

Guaranteed Absolutely As To Results. The problem of ridging the system completely of uric acid deposits which cause rheumatism has been solved, as stated by many chronic sufferers who have used it, by the novel remedy called D-M-F, perfected after 30 years of exhaustive tests. Its unique action is one of the features which most attracts the attention of the sufferer using it. Unlike any other treatment of its kind known, it produces results or "cures" by which the patient has been able to clearly foretell the complete eradication of the disease.

D-M-F has been remarkably effective in every form of rheumatism, a feature which is extremely unusual. C. W. Hosen, M. D., one of the most prominent physicians in Oklahoma, known for his success in treating rheumatism, says:

"The cause for this test were selected from the various chronic toxics commonly known as incurable, and all forms of the disease have yielded to the D-M-F treatment. Convinced that with D-M-F there are no incurable forms of the disease, I am now ready to stake my professional reputation on my ability to cure all forms of rheumatism with this treatment."

The best news of all for the rheumatic is that D-M-F is guaranteed as to results.

D-M-F is singularly free from any opiates or dangerous drugs of any description, and is easily assimilated by the weakest stomach. Full explanations of the wonderful action of D-M-F on rheumatism, lumbago, gout and neuralgia are packed with every bottle. Begin taking a bottle of D-M-F today, and you will safely drop every other rheumatism treatment you may now be taking. I get D-M-F at your druggist at \$1.00 a bottle. If you are satisfied with it, as you will be, get 6 bottles for \$5.00 and get rid of your rheumatism. If your druggist cannot supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 211 Ashland Ave., Chicago, Ill. The first bottle will convince every sufferer.
